LIFE
BETWEEN
SUMMERS

Changing Seasons

*In between sun drenched beaches,
Wandering, worriless travels
and light-heated laughter,
We saw the seasons and ourselves
irreversibly change.*

*We entered this new place in the autumn.
Imagining ourselves as golden as the falling leaves;
We skirted through the air nervously,
Wondering: Where will we fall?*

*And when the summer came,
We imagined her rays evaporated all our awkwardness
Telling ourselves, the worst was behind us.*

*We plowed through the next year
of heavy burdens and little sun,
Realizing that, like snowflakes, we were unique,
But still it was the air that carried us, not ourselves.*

*Summer sun banished our burdens.
She warmed our dreary minds;
Before us lay better, more welcome times.*

*Then we were senior to some, but still junior.
We felt our promise bloom.
Like fresh flower petals opening,
Our eyes blinked before a promising, but frightening light.*

*The next summer was somehow not so long or warm.
The once slow, sultry days
Now felt urgent, tense, and fleeting.*

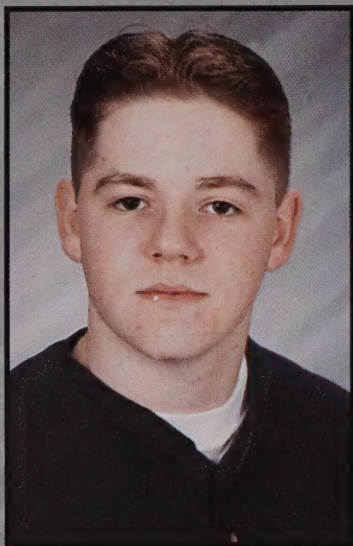

*Then, finally, there was the bright sun we'd waited to see.
But with its glory came harsh heat and sweat.
Past seasons lay behind us,
Years more ahead.*

What will future seasons bring?

LIFE BETWEEN SUMMERS

The class of 1997 would like to thank the faculty and administrators of WHS, as well as the School Committee, for all of their hard work and dedication. With their help, we have gained not only sophistication and wisdom, but also maturity, responsibility, and the value of friendship. Many teachers were not only our sources of education, but friends as well. We will never forget all those who were so dedicated to us through our years in the Waltham school system. Once again, thank you for all of your time and dedication.

M i r r o r

Mrs. Arnold

This year the class of 1997 would like to present one of our yearbook dedications to a very special women who has supported us throughout our last four years at Waltham High School. She has been dedicated and caring, never too busy to lend a helping hand, or to warm our day with a brilliant smile. She always tried her best to create a welcoming atmosphere in our house office, offering both a listening ear and a caring heart. Her unwavering patience and ability to understand enabled her to keep things under control.

Although her position changed this year, her presence was never lost. Moving two floors away to become Mr. Graceffa's secretary, she still found time to recognize our class. For example, after our production of Senior Revue, our house office was filled with flowers to show her ongoing support.

As a 1971 graduate of Waltham High School, she has been involved in our community for almost twenty years. Since 1978, she has been an employee of the Waltham School Department. Working first as a coordinator, she continued, eventually holding a position at all three middle schools. In September of 1993, we were fortunate to have her placed in our house office. She and her husband Bob reside in Waltham and have raised two children who are both graduates of Waltham High School.

This women always made that extra stride to help someone out. She never settled for second best, everything had to be at top notch for her.

As our senior year comes to an end, we thought this was the most appropriate time to recognize such a wonderful lady. Mrs. Arnold, on behalf of the class of 1997, thank you for each day that you guided us and for each day you made more promising. I promise you that although we will all take a different road, you will never be forgotten for all you did for the class of 1997.

Mr. Steve Goodwin

If one were to look up the true definition of the word teacher in the dictionary it reads: one who teaches how to do something or gives lessons. The true definition of the word teacher can only be found in the minds and hearts of a student. In words teacher is difficult to define. However, anyone who has experienced a true teacher can easily feel this definition. Many students are fortunate to say that during our four years at Waltham High we have had many great teachers.

As a young boy Mr. Goodwin grew up in North Waltham. He graduated from Waltham High in 1964 and received his degree in history from Boston University. He began his teaching career at Waltham High in 1970. He and his wife Marsha reside in Waltham with their four children who have also graduated from Waltham High.

Mr. Goodwin better known as "Goody" to all his students is an extremely devoted teacher and this has earned him the respect and admiration of students, faculty and the administration at the high school. He has challenged and touched the lives of many students in the class 1997, including myself. He makes sure to reach every student in his lessons, turning words in books to lessons in reality. He not only expects the best from everyone who walks into his class, but he always gives his best.

Without Mr. Goodwin as coordinator of student activities there would be no Gong Show, Homecoming, dances, rallies, scavenger hunts, Student Santa or the Y.O.U. Organization.

The word teacher is just too plain a term to express what Mr. Goodwin has done for our class. There are certain expectations that students have for a teacher and he has gone above and beyond those expectations to make our senior year a memorable one.

Mr. Goodwin, the class 1997 would like to thank you for your sense of humor, for your dedication to our class, and especially for the friend we have made in you!

M i r r o r

Mr. William Nolan

As President of the Waltham Vocational High School, I represent all the students enrolled in vocational and technical courses. We are dedicating our portion of the yearbook to Mr. William Nolan. Let me give you a little background information about Mr. Nolan.

For the past twenty-six years his outstanding contributions to the lives of the students of Waltham, especially vocational students, will never be forgotten.

Mr. Nolan was born and raised in Michigan. One of four children, he graduated from Kellogg Community College and then joined the United States Navy. While stationed in Hawaii, he attended the University of Hawaii and received a certificate in electronics. After four years he returned home and graduated from Western Michigan University. He then received his Masters Degree from Fitchburg State College. He and his lovely wife Marsha are the proud parents of two sons.

He began his teaching career in Waltham in 1971 as a high school drafting instructor until 1986. In 1986 he became the Vocational Assistant-Principal and later Principal and Director of all Occupational Programs.

His unrelenting devotion to vocational programs never cease to amaze the students and staff. Whatever obstacle has been placed in front of him, he has found a way around the situation. He is always looking for ways that will smooth over any difficult situation that interrupts the day to day operations of the Vocational High School.

You don't have to look very far to find the work of Mr. Nolan. From auto body shops to mechanical repair businesses machine shops and electronics to graphic communication you will see the time Mr. Nolan puts into all his work. Some of the projects made possible through the tireless supervision of Mr. William Nolan are the Gore and Paine Estates athletic field house, tables and chairs for elementary schools, electrical wiring in the high school, and projects for senior housing.

Mr. Nolan has been our principal, disciplinarian, chief and mentor. These are just a few of the hats he has worn with style and grace. He has worked hard for the last few years to combine the vocational programs with the high school and he will continue to serve as Director of Occupational Programs as we begin a new era.

Mrs. Barbara Scichilone

Mrs. Scichilone was born in Somerville and graduated from Cathedral High School in Boston. In 1982 she graduated from Northeastern University with a Bachelors of Science Degree in Social Studies. Mrs. Scichilone came to Waltham in 1961 after marrying a lifelong resident, Anthony Scichilone. Having met on a blind date, Anthony convinced Mrs. Scichilone that there was no better community to live than Waltham.

Having raised five children, all Waltham High School graduates, her two sons and three daughters are all successful in their chosen field. They share her commitment and love of education.

After teaching as a substitute for the school system for many years, she joined the Vocational High School staff as an English and history teacher only to be cut in 1980 by Proposition 2 1/2. Knowing that she loved being with people she would attend nursing school and work for Youville Hospital as a licensed nurse.

One day she was asked to return to teaching at her beloved vocational high school where she remained. Family values, the importance of an education and respect are just some of the things Mrs. "Schick" instilled in the Class of 1997. A student will go through kindergarten to the 12th grade encountering many teachers, however, there is often one teacher that has made a lifelong impact that will always be remembered. Mrs. Scichilone is one of those rare teachers whom we will never forget.

Mrs. Shichilone is not only a loving sister, mother, grandmother, wife, and teacher, but also a friend. It is with great honor that we dedicate part of the Class of 1997's yearbook to Mrs. Scichilone.

LIFE BETWEEN SUMMERS

Nineteen
Ninety
Seven

was another successful year for the Waltham High School Athletic Department. Many teams and individuals captured titles, set records, and also qualified for tournaments. This year, WHS was fortunate to have Girls' Lacrosse and Boys' Volleyball added to our sports program.

The athletes of WHS were successful both on and off the field. One of the most prominent characteristics of Waltham High School teams was sportsmanship. Waltham gained the respect of opposing players and coaches by displaying good conduct both on and off the field. The players and coaches involved in athletics at WHS promoted good sportsmanship and a strong work ethic; which molded teams that command both admiration and respect.

altham High Football team had another strong year, finishing with a record of 7 wins and 3 losses. Playing with one of the toughest schedules in the state, the Hawks still managed to defeat rivals Peabody, Revere, Medford and Arlington.

One of the most exciting games was early on in the season against Peabody. The Hawks convincingly crushed their biggest rival with a 27-6 victory. Other exciting games included Everett and

the Thanksgiving game against Brockton. Despite losing in close games, all three teams that beat the Hawks eventually went on to the Division 1 Super Bowl.

The Hawks were led this year by Coach Dan Keohane and senior tri-captains Roy Bonilla, A.J. Crane, and Jason Barnes. Outstanding seasons were also had by seniors Russ Bonilla, Dennis Keohane, Ricky Burke and Brendan O'Brien. Russell was named both MVP of the team and Player of the Year by the News Tribune. Junior quarterback Donnie DiRico was also a large part of the Hawks success.

The 1997 Hawks are sure to have a great season and carry on the winning tradition established by this year's team. Good Luck!

led by Senior Captains Rachel Dennison, Melanie Marcou, and Junior Captain Erin Cormier, the Football Cheerleaders had a great time cheering on the boys this season. Between camp, tough practices, hiding candy in the closet, marching in the Homecoming

Composed mostly of underclassmen with the exception of the three captains and

juniors Lois D'Allesandro and Kim Ashe, the squad competed in the S.H.R.H.S. cheerleading competition and proved once again to be tough to beat. With so many experienced underclassmen, next year's squad is sure to have great success.

The Waltham High Boys' Soccer Team had an exciting but disappointing season. Coming off a great season last year and the first tournament win in over ten years, good things were expected from this year's team. Only three starters returned from last year. The team got off to a very slow start, losing their first few games, and was unable to bounce back.

captain Shant Karian, as well as Mike Condon, Gonzalo Inostroza, Reinner Fidelis, and Manuel Aliaga.

The closest thing to an upset probably came in the game against Somerville, the team that had eliminated Waltham in the second round of the tournament last year. Emotion was high because of this and the fact that Somerville was in first place in the GBL. They jumped out to an early 1-0 lead, but Waltham showed desire to win and pressured the entire Somerville team for the whole game. Twice the game was almost tied, but both goals were overruled in controversial calls by the referee.

The team continued to work hard and improve during the second half of the season. With a strong group of experienced underclassmen, next year's team should be very successful.

The Golf Team had yet another successful season on the links. Despite going head-to-head against some top teams, they managed to finish with a dominating 9-1-1 overall record, which tied them for first place with former Greater Boston League Champs, Cambridge. Some key wins in the beginning of the season led the team to a successful year. Although they tied for first place, when the Waltham golf team went up against Cambridge, they defeated them. Another big match-up was against non-league rival Wayland. Wayland, known as one of

the better teams in the state, settled in a dead-lock tie with Waltham.

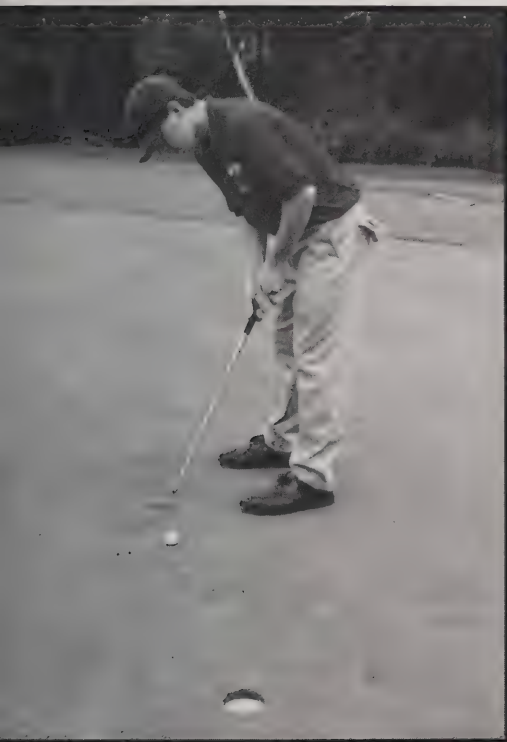

The team was led by Coach Len Sorin, senior captain Adam Campana, and junior captain Steve Douglas. Adam Campana and Mark St. Marie were the only seniors on the young team.

With an overall record of 9-1-1 the Hawks were co-GBL champs along with Cambridge. While Waltham's top four golfers played consistently they were also chosen to play in the postseason.

Taking those spots were senior captain Adam Campana at number one, junior captain Steve Douglas at number two, junior Ronny Hiestch at number three, and senior Mark St. Marie at number four. Each took place in such events as the State Tournament, the Sullivan Tournament, and the GBL individuals.

While only graduating two seniors, Coach Len Sorin will be back with another great team to defend his title.

In only its first varsity season, the Waltham High Field Hockey Team qualified for the State Tournament. After losing a tough first round game to Lexington, the Hawks reflected on a much respected season. Headed by coach Denise Nugent, the team pulled together and did some damage in the Greater Boston League.

Led by senior tri-captains Sarah Hatch, Barbara-Rae St. Cyr, and Lisa Connors, the varsity team compiled a record of 9 wins, 4 losses and 5 ties. The

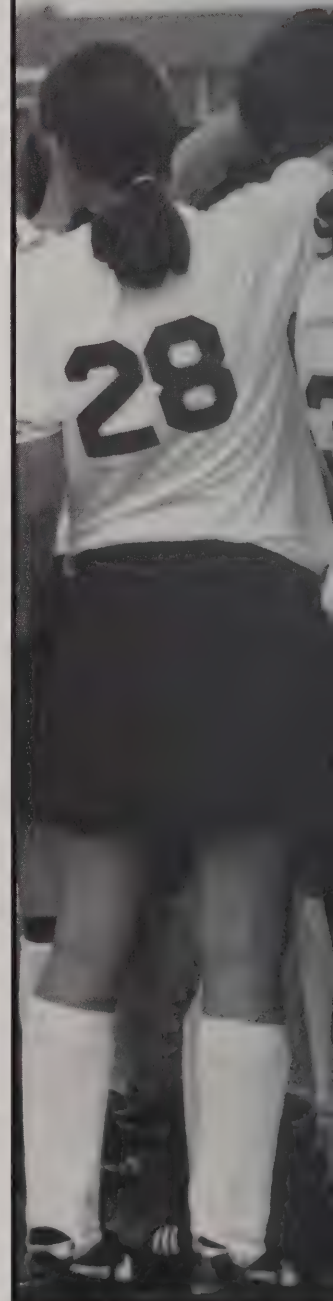

offense was sparked by junior Jayna Napolitano and freshman Tammy Taranto. The mid-field was held together by sophomore Tracey Rautenberg, along with junior Caitlin Scott and senior Erin Semenchuck. Sophomore Jill Annunciata acted as a wall in the goal.

The most memorable point in the season was when the team beat Peabody at Peabody in a freezing cold night game. Earning Greater Boston League All-Star recognition were Sarah Hatch, Jayna Napolitano, Tracey Rautenberg, and Erin Semenchuck.

Waltham High School Swimming and Diving Team had another exceptional season. Goals were set and met, records were broken, and hearts soared as the Hawks started the season with a 94-70 win over Arlington. Though not finishing in the usual first place spot at the Greater Boston League Meet, the team came in a more than satisfying second. Holding their heads up high, the swimmers had nothing to be ashamed of. Despite losing many great seniors to graduation, the team not only fulfilled the coaches' and captains' expectations, but finished the season with a new sense of pride and accomplishment.

Coaches Phil Richmond and Pam Penton could not have asked for a better season. Quad-captains James Lunderville, Lauren Williams, Vinnie Livoti, and Lalanya Twitchell were more than exuberant at the season's result.

Seniors include the captains, swimmers Joe Duffy and Mark Deveau, divers include Aimee Burke, Sarah Harvill, and Deanna Mele. Alison Fox, Phil Martin, Jason Vienneau, Adam Lord, Kate Jackson, and Tricia Lucente were six underclassmen who also greatly contributed to the successful season. All six qualified in at least one event at the All-State Meet in February. Three underclassmen who contributed to the victorious season for the diving team included Sarah Koch, Erin Cormier and Adrienne Izzo.

All in all, the 1996-97 Waltham High School Swimming and Diving Team proved to be far beyond what anyone had expected. The confidence instilled in the team by the coaches and captains led to a finishing season to be proud of. The team looks forward to next season with new hopes and dreams.

This strong team was led by Coaches Serge Clivio and Greg Page, both in their fourth year at Waltham. The well rounded Hawks were captained by seniors Mark Felt and Jason Hache. Led by the top notch pitching of Chip Raines, Mike Dowdy, Ryan Clifford, and Bill Champion, the Hawks were one of the most feared teams in the Greater Boston League. BOUNCE *that* SHOT

The Boys' Lacrosse team had another great season, finishing with a record of 6-9. Waltham was placed in a tough league and competed with some of the top teams in Eastern Mass. One of the highlights of the year was beating long time rival Peabody.

The team was led by Coaches Steve Duffy and Ken Rendazzo, and were captained by Gianleo Duca, Rich Morovitz, and CJ Frost. Other Seniors included Jim Basl, Nick English, Dave Hall, Scott Lucas, Matt Mackenzie, and Juan Mejia. The defense was led by Duca and Morovitz while Frost carried the offense. Stellar performances were given by both the offense and the defense, which contributed to such a successful season.

Many underclassmen were also key to the Hawks' great season. Rich Sutherland, Gino Lavini, Greg Tompkins, Jim Vittum, and Jim Ruggeri worked together to establish Waltham as a powerhouse in the league.

With many experienced underclassmen, next year's team is sure to have a very impressive season. Good luck to next year's Hawks.

Both the Boys' and Girls' Outdoor Track Teams sprinted their way successfully through the 1997 season. Led by Coach Keohane and quad-Captains Dennis Keohane, Chris LeBlanc, Brian Losier, and Eric Marshall, the boy's team finished with a 7-1 record. Fellow Seniors AJ Crane, Brian Piantedosi, Rick Burke, Pat Ferdinand, Russ Bonilla, Joe Duffy, Phil Bigot, and Simon Dominique also assisted the Hawks in their rise to the top of the GBL. Key underclassmen Jomo Dillon (hurdles) and John Arone (middle distance) also contributed greatly to the team.

The girls' Track Team also had an outstanding season finishing with a 5-2 record. Both teams confess that their most difficult competition was Somerville, where the girls missed victory by only four points. The girls' 4x400 relay qualified for the State Tournament.

The girls, led by coaches Kent Hales and Jack Dempsey and captains Pooja Agrawal and Jill Barnes included Seniors Kerin Casey, Roxanne English, and Marjorie Neret. Aside from the shot-put and hurdles, underclassmen carried the team. Barnes, Amy Burnett, Laura Headrick, Michelle Bernier, and Colleen Ward were especially key in the sprints and middle distances.

Overall, the Boys' and Girls' Track Teams proved their worth and speed in the GBL and will undoubtedly continue to be successful in future seasons.

The Waltham High Girls' Tennis Team had another great season. The team, led by Senior Captains Lalanya Twitchell at second singles, Maria Antarassian and Rachael Royds at first doubles, and Anita Chou at second doubles, coasted to a 13-3 regular season record. The team also earned a spot in the state tournament.

Senior Lalanya Twitchell had another undefeated season, while Junior Jana Dolnikova had only two losses during the regular season. She was the only Hawk to make it to the Quarterfinals in the Sectionals. Third singles player, Chantal Marsoubian, stepped up this year to win much needed matches for the Hawks. At first doubles, Maria and Rachael gave it their all and won some tough matches. Last, but not least, the second doubles team of Antia Chou and Junior Mugdha Oak (sometimes replaced by Senior Francesca Mariano) powered over some tough competition.

Although the team is graduating five talented varsity players, the dedicated, talented, and eager underclassmen will carry next year's team to success.

The Boys' Tennis team at Waltham High School has come a long way in the past couple of years. The team has had one of its best seasons in a long time and finished the season with record of 10-5.

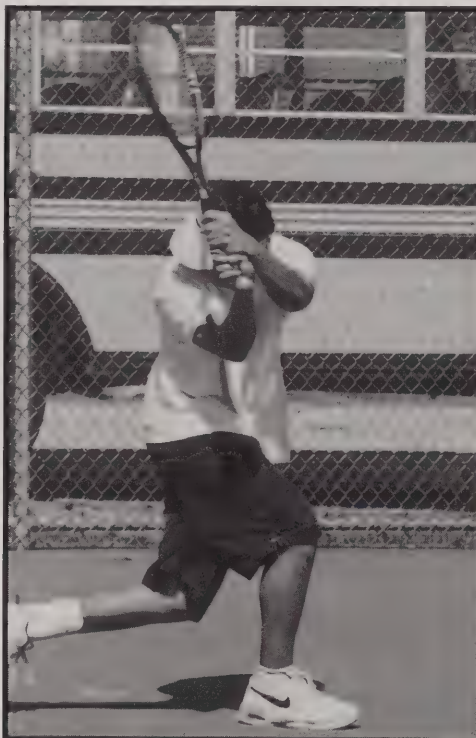

This remarkable improvement could not have been accomplished without the help of Coach John Sinerate, who had supported the

team through all their wins and losses. Seniors John Karakashian, George Marangoly, and Mark Deveau were a large part of the team's success. Underclassmen Alex Fava, Doug Luther, Tom Gage, Alex Chou, Outay Chouangpraseuth and Charlie Arsenault are also major contributors to the team.

This season, the team was able

to beat Peabody, a traditionally strong team. They also posted wins over Medford and Revere. These wins added significantly to Waltham's record.

The Tennis team worked long and hard to advance to the state tournament for the first time ever. The team hopes to continue to improve and meet the challenge of future seasons.

HIT *them* DEEP

The young WHS softball team had a great season, finishing with a record of 12-2 and qualifying for the State Tournament.

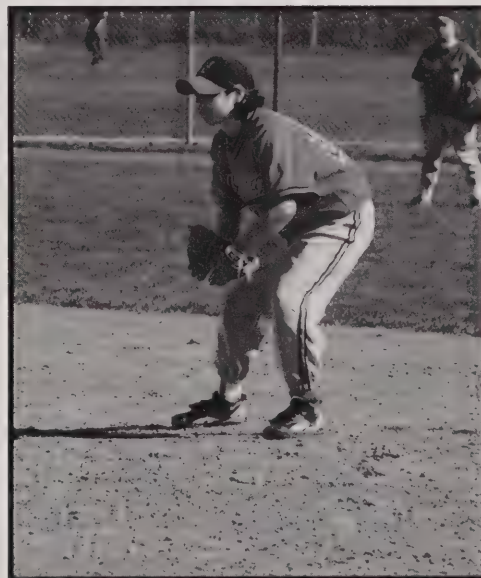

Coach Leverone, Senior tri-captains Noel Cunningham, Lisa Santulocito, and Sarah Hatch, and senior Deanna Mele were without a doubt the leaders of this team. With only four seniors, underclassmen

were the key to the team's success. Junior pitcher Colleen McCarthy was incredible all season, as was catcher Caitlin Scott in just her first year at the position. Other key underclassmen included Christy Delaney, Lisa Gemelli, Tracey Rautenberg, and JoJo McKenna.

One highlight of the season was a win over rival Medford on a hit by

Lisa Gemelli late in the last inning. The Hawks qualified for the State Tournament, before losing in the first round to a powerful Reading team.

With many of the underclassmen returning to next year's team, the Lady Hawks are sure to post an even better record than this year. Good luck to next year's team!

CRADLE *that* BALL

The Waltham High Girls' Lacrosse Team is a brand new program this year. The team is made up of many freshman, a few sophomores and juniors, and one senior. The team is led by coaches Peter Marini and J.J. Centola, Senior

Tri-Captain Shara Collins and Junior Tri-Captains Liz Bruno and Mackenzie Nurse.

The young team has come a long way since the first week of tryouts. The girls really came together and posted a great first year record of 4-9-1. Remarkable ef-

fort and improvement were shown by all members of the team throughout the season. The most important thing about the season was that everyone had fun and tried their hardest. Good luck to next year's team.

SPIKE *that* BALL

With the help of students and staff, a Boys' Volleyball team was established this year. The team finished off their first season with a record of 3-9, beating some of the more experienced teams in the league.

The team was led by Coach Jody Rogers and tri-captains Claude Leger, Mike Prophete,

and Matt Collete. With only two experienced players, the team was unsure how they were going to compare to other more experienced teams. But, with contributions from seniors Jason Bryant, Jason Caisse, Jeff Farrar, Ted Hallock, Panay Chouangpraseuth, Leger, and Prophete, the team had an exceptional season. Some notable

underclassmen contributors included Collete, Peter Griffin, Mitul Patel and Young Trang.

This first year has been one of training and learning. With more experienced players next year, the team is sure to have an even better season. Good Luck to next year's team.

Induction

Leadership is an important facet of society. Just as thread holds the fabric in place, the quality of leadership holds the fiber of society together. If the leadership is strong and democratic the society thrives; conversely, if the leadership is weak or tyrannical the society crumbles. A commendable leader is not passive, nor power-hungry. In fact, he or she is one who can step up to the challenges, make right decisions, and accept responsibility for the consequences.

History also teaches us about different types of leadership. For example, Atelior Hun, Adolph Hitler, and more recently Momar Quadaffi and Saddam Hussein are examples of leaders who have used their leadership to do evil. On the other hand, people like Teddy Roosevelt, Martin Luther King, and more recently Golda Meir and Margaret Thatcher are examples of leaders who have used their leadership to do good. As history has shown, leaders are powerful people. If they misuse their power they can cause tragedy, but if they govern righteously they can heal the sick, or move mountains.

Each of us who is inducted into The National Honor Society tonight has demonstrated leadership qualities in the classroom, on the playing fields, and in community service. Now, our leadership must take on new dimensions as leaders of our peers and underclassmen. It is often said that we are the "leaders of tomorrow," but it is a heavy weight to bear considering the tasks before us. However, as morally and academically sound individuals we shall embrace this challenge with honor and dignity.

YEARBOOK STAFF

The 1997 yearbook owes its success to the hard work of many seniors. Many had a hand in completing this yearbook. Seniors collected ads, created layouts, wrote stories, and provided pictures. All of these people gave up their free time, even in the summer, but the result was well worth it.

The staff would like to thank Mr. Grant for all of his time and talent in making this yearbook. He made this yearbook possible with tireless effort and dedication. Good luck to the class of 1998

Note from the Advisor:

LIFE BETWEEN SUMMERS

The 1997 Mirror was made possible by the help and support of local businesses, family, and friends. Seniors collected ads from local merchants who provided the money needed to publish our yearbook. These businesses, family, and friends, in turn, got their chance to wish the class of 1997 good luck.

The class of 1997 would like to thank all those who made it possible for us to have a yearbook, as we said farewell to Waltham High School.

Waltham
Firefighters Union

A black and white photograph of a cluttered desk. In the upper left, several US dollar bills are scattered. A pen lies horizontally across the middle left. A large, handwritten note in the center reads "I thank Advertisers!" and "92". To the right of the pen is a form titled "PAGE EN" with a checklist and a "PAGE EN" stamp. Further right is a form from "WALTHAM HIGH SCHOOL" with fields for "NAME OF STUDENT", "DATE", and "SIGNATURE OF AUTHORIZING SPERM". A small "COVER" and "BRAVO" magazine are visible in the bottom left. A small card for "33 MORE SPREAD PHOTO BODY" is also present. The background is a plain, light-colored surface.

FOUR THINGS TO LOOK FOR WHEN CHOOSING A COLLEGE.

- ☐ Qualified Professors
- ☐ Advanced Facilities
- ☐ A Pleasant Campus
- ☐ A Nearby Burger King®

Congratulations graduates! High school is history! So now it's time to choose a college. But be careful. Because no matter how great the campus, classrooms, or professors, you won't be able to enjoy your study breaks without a nearby Burger King®.
